## Lubricating Pump (Motor Driven Type)

### ■ SK-505BM-04 (for grease)

Each of the IHI motor-driven lubricating pumps consists of a pump body, a motor, and a reservoir. Plug the power cable of the pump to the outlet and turn on the power switch. The pump pressure supplies grease (or oil).

IHI Motorized pump  
Model: SK-505BM-04  
ຈະບປຈາຮົບ  
ໝາດ400 cc.  
ກຳລັງໄຟ 24 VDC.

## ■ SK-505BMS-1 (for grease)
